RE: AAA MEMBERSHIP PROGRAM

DATE: APRIL 1, 2019

We have arranged to provide our credit union members with substantially discounted rates for membership in AAA. Your AAA membership will be effective May 31, 2019. For current members the discount represents a savings of \$5.00 for Classic Primary membership (normally \$52.00). New members will save an additional \$20.00 off new membership dues (normally \$72) because AAA is waiving the \$20 enrollment fee. You must reside within the AAA East Central (club 215) service area.

The annual open enrollment period ends April 19, 2019 and the enrollment form below should be completed and returned to the credit union by that date. **If you are already enrolled through this group program, your renewal is automatic and you do not need to complete an enrollment form.** Your credit union account will be debited on April 30, 2019.

If you are already a member of AAA East Central (Club 215), AAA will simply extend your expiration date to May 31, 2020. You pay a pro-rated amount based on the discounted rates, and retain the full number of years you have been a valued member of AAA.
